Ellyne Skove returns this fall with 2 days of **GoGo Babies** classes to choose from, and a new **GoGo Music and Movement** class for children ages 2 to 3 years. GoGo Babies is a developmental movement class, offering a fun way to enhance your child's cognitive, neurological, and social development.

### Hello to Eileen Maher: A New Cook

As beloved cooking teacher, Lesley May, leaves Families First to have her second baby, Eileen Maher joins us to teach **Storybooks and Little Cooks**. Eileen is a Families First member, the mother of 2-year-old Casey, and a graduate of the Institute of Culinary Education. A wonderful combination of chef and mom, Eileen is a great addition to our staff.

Storybooks and Little Cooks integrates language arts and science. Eileen will read aloud stories having to do with food and then help the children prepare recipes related to the stories they've heard. The class will meet on Mondays at 10:00 for children ages 2-4.

### More Musical Mayhem

Laura Hays will return to teach **Musical Mayhem** this fall, and now her classes will now be open to children from 10 months to 3 years. The mixed-aged class will feature the same fun combination of signing, singing, moving, and grooving.
